The Do Not Call law provides for several exceptions under which telemarketers may call your home even if your name is registered on the Do Not Call list. Those exceptions include calls from:

**Telemarketers calling at your expressed request.**

**Telemarketers who have had an established business relationship with the residential telephone customer within 12 months preceding the call.**

**Tax-exempt charitable organizations, veterans organizations chartered by the United States Congress, and calls made on behalf of a political candidate or political party.**

**Telemarketers calling in reference to an existing debt, contract, payment or performance.**

*(In addition to PA's DO NOT CALL law, you are permitted to ask the telemarketer to remove your name from their calling list. A telemarketer who fails to do so violates the law.)*
